This application form can either be filled out by the following:

- 1) Printed out, filled out, and posted to us (handwritten or typed)***
- 2) Printed out, filled out, and dropped into us (handwritten or typed)***
- 3) Printed out, filled out, taken a photo, and sent to us via email (handwritten or typed)***
- 4) Saved on your chosen device, eg, computer or phone, filled out (typed) and send to us via email***

Should you have any issues completing the form, please get in contact.

Once you have submitted your application form, we will be in touch as to whether your wished days/session times can be granted, and then can proceed the booking further. Your booking is not yet confirmed with us until we have been in contact again, and you have your confirmation through.

We do require a non-refundable £100 signing up fee, but this does not have to be paid at this stage.

Once your days and sessions have been confirmed, we will be in contact with you to proceed the booking. This will require you coming to the Little Honey's Nursery, and filling out some paper work.

We can then organise what we call our "settling into the hive" sessions, where your child will attend a number of free sessions to allow them to settle in for a shorter amount of time to help them before their official start date. We will talk all of this through with you when you come in to see us to fill out your initial forms.

If you have any questions at all regarding the completion of this form, please do not hesitate to contact us via email: thehive@littlehoneys.gg or please telephone 01481764578

By signing the below, you agree with all of the above, and wish to proceed with your booking. The signing up fee will be due once your requested days/times are confirmed, you will receive an invoice.
